FOR IMMEDIATE RELEASE

Bethel Health Center to offer FREE Living Well for Better Health series

BETHEL – Bethel Family Health Center is pleased to offer a **FREE Living Well for Better Health series starting Friday, August 24**. Because ongoing health conditions affect so many adults, SeniorsPlus offers this interactive workshop series where participants learn tools to better manage their own health conditions. The Living Well workshop has also been shown to reduce hospitalizations by improving participant's ability to take care of their health.

After completing a recent workshop series in New Portland, Jane Deely shared, **"I have met with both successes as well as things that still need work, but the goals remain locked in my mind and I will continue working on them on my own after the class is finished."**

Topics discussed during this six-week course include depression, medication use, nutrition, planning your future and how to talk with your health provider. **Classes run from 9:00 a.m. to 11:30 a.m. every Friday for six weeks.** The class begins on Friday, August 24 and ends on September 28. **All sessions will be held at Bethel Family Health Center.**

To register or for more information, please call SeniorsPlus at 800-427-1241. Bethel Family Health Center is located at 32 Railroad Street, Bethel.

Living Well for Better Health is FREE and open to the public. Caretakers and spouses are welcome to attend as well!

###

Bethel Family Health Center is part of HealthReach Community Health Centers, a group of eleven Federally Qualified Health Centers in Central and Western Maine. Bethel offers a range of services including family medical care, counseling, and dental hygiene to residents of Andover, Bethel, Gilead, Greenwood, Hanover, Newton, Upton, Woodstock and neighboring towns. Our reduced fee program is available to uninsured and underinsured residents.
