School Supplies Drive Coming Soon to Bethel Family Health Center

BETHEL – [Bethel Family Health Center](#) will hold a drive for new school supplies in celebration of National Health Center Week starting Monday, August 14 and ending Friday, August 25. All donations from the community will be brought to Bethel Schools in an effort to supply local students with the tools they need to learn and grow in the classroom.

Some of the most needed classroom supplies include No. 2 pencils, large pink erasers, colored pencils, glue sticks, lunch bags or boxes and backpacks. Every donation makes a difference!

Bethel Family Health Center is located at 32 Railroad Street in Bethel. For more information, call (207) 824-2193.

The event is being held in celebration of National Health Center Week, which runs from August 13th through 19th. This year's theme for National Health Center Week 2017 is "Celebrating America's Health Centers: The Key to Healthier Communities." One of the bright spots in America's health care system, Community Health Centers serve more than 25 million Americans, a number that continues to grow along with the demand for affordable primary care.
